

The Shoe-Tying Song

Teach your students this catch song, and not only will there be lots of singing going on, but lots of shoe tying too! This is sung to the tune of “Mulberry Bush.”

This is the way we tie our shoes, tie our shoes, tie our shoes.
This is the way we tie our shoes in kindergarten.

Take the ends and cross the laces, cross the laces, cross the laces.
Take the ends and cross the laces, as we tie our shoes.

Take one lace and loop it through, loop it through, loop it through.
Take one lace and loop it through, as we tie our shoes.

Next, you pull the laces down, laces down, laces down.
Next, you pull the laces down, as we tie our shoes.

With one lace we make a loop, make a loop, make a loop.
With one lace we make a loop, as we tie our shoes.

Take one lace and wrap it around, wrap it around, wrap it around.
Take one lace and wrap it around, as we tie our shoes.

Grab the tip and pull it through, pull it through, pull it through.
Grab the tip and pull it through, as we tie our shoes.

Then we have to pull them tight, pull them tight, pull them tight.
Then we have to pull them tight; we can tie our shoes!
